1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

****In Short:**** We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, when you participate in activities on the Services, or otherwise when you contact us.

Personal Information Provided by You.

The personal information that we collect depends on the context of your interactions with us and the Services, the choices you make, and the products and features you use. The personal information we collect may include the following:

- names
- phone numbers
- email addresses
- passwords

Sensitive Information.

We do not process sensitive information.

Application Data.

If you use our application(s), we also may collect the following information if you choose to provide us with access or permission:

- ***Geolocation Information***. We may request access or permission to track location-based information from your mobile device, either continuously or while you are using our mobile application(s), to provide certain location-based services. If you wish to change our access or permissions, you may do so in your device's settings.
- ***Push Notifications***. We may request to send you push notifications regarding your account or certain features of the application(s). If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings.

This information is primarily needed to maintain the security and operation of our application(s), for troubleshooting, and for our internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Google API

Our use of information received from Google APIs will adhere to Google API Services User Data Policy, including the Limited Use requirements.

2. HOW DO WE PROCESS YOUR INFORMATION?

****In Short:**** We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- To facilitate account creation and authentication and otherwise manage user accounts. We may process your information so you can create and log in to your account, as well as keep your account in working order.
- To deliver and facilitate delivery of services to the user. We may process your information to provide you with the requested service.

3. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

****In Short:**** We may share information in specific situations described in this section and/or with the following third parties.

We may need to share your personal information in the following situations:

- ****Business Transfers.**** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
 - ****When we use Google Maps Platform APIs.**** We may share your information with certain Google Maps Platform APIs (e.g., Google Maps API, Places API). We use certain Google Maps Platform APIs to retrieve certain information when you make location-specific requests. This includes: position; and other similar information. A full list of what we use information for can be found in this section and in the previous section titled "HOW DO WE PROCESS YOUR INFORMATION?" Google Maps uses GPS, Wi-Fi, and cell towers to estimate your location. GPS is accurate to about 20 meters, while Wi-Fi and cell towers help improve accuracy when GPS signals are weak, like indoors. This data helps Google Maps provide directions, but it is not always perfectly precise. The Google Maps Platform APIs that we use store and access cookies and other information on your devices. If you are a user currently in the European Economic Area (EU countries, Iceland, Liechtenstein, and Norway) or the United Kingdom, please take a look at our Cookie Notice.

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

****In Short:**** We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies help us maintain the security of our Services and your account, prevent crashes, fix bugs, save your preferences, and assist with basic site functions.

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests which may appear either on our Services or on other websites.

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

5. HOW LONG DO WE KEEP YOUR INFORMATION?

****In Short:**** We keep your information for as long as necessary to fulfill the purposes outlined in this Privacy Notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

6. HOW DO WE KEEP YOUR INFORMATION SAFE?

****In Short:**** We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

7. DO WE COLLECT INFORMATION FROM MINORS?

****In Short:**** We do not knowingly collect data from or market to children under 18 years of age.

We do not knowingly collect, solicit data from, or market to children under 18 years of age, nor do we knowingly sell such personal information. By using the Services, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Services. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at mohamed.yahyaoui@enis.in.

8. WHAT ARE YOUR PRIVACY RIGHTS?

****In Short:**** You may review, change, or terminate your account at any time, depending on your country, province, or state of residence.

****Withdrawing your consent:**** If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us by using the contact details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

****Account Information****

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and update your user account.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

If you have questions or comments about your privacy rights, you may email us at mohamed.yahyaoui@enis.in.

9. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Notice.

10. DO WE MAKE UPDATES TO THIS NOTICE?

****In Short:**** Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated "Revised" date at the top of this Privacy Notice. If we make material changes to this Privacy Notice, we may notify you either by prominently posting a notice of such changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

11. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?

If you have questions or comments about this notice, you may email us at mohamed.yahyaoui@enis.in or contact us by post at:

12. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

You have the right to request access to the personal information we collect from you, details about how we have processed it, correct inaccuracies, or delete your personal information. You may also have the right to withdraw your consent to our processing of your personal information. These rights may be limited in some circumstances by applicable law. To request to review, update, or delete your personal information, please fill out and submit a data subject access request.
